

Meeting Agenda and Minutes for January 25, 2022

Agenda 1/25/22 5pm

Minutes approved on: January 26, 2022

Mission

- The Mission of Comets Booster is to create opportunities to enrich the middle and high school experience socially, academically, and physically.

Treasurer Report

> **Total: \$15,041.58**

> **Art: \$1,669.16**

What do we do with the pop money from the lounge?

Old Business

- Secretary Report-Minutes updated on website for October-December meetings
 - All minutes from past meetings have been put onto the website.
- Bleacher seat update
 - Bleacher seats have come in
 - Have made a sale through basketball.
 - Info given to the volleyball team.
 - Info sent to Basketball coach, no word back.
 - QR code made to sell the bleacher seats easier. (Thanks Andrea!)
- Social Media person needed
 - We need someone to just send stuff out for events.
 - Whoever we get needs to get the account information from Andrea Roth
 - Bridget B. offered to do this
 - Some parents offered to help post on the parent groups. Need to get in contact with them to ask.

New Business

- Penny Wars-Dates/Details (Jan. 31-Feb. 4)

- Prize ideas
 - Barbie trophy and games in the summer?
 - Something that happens to the losing teacher?
 - 9 ball or gaga ball or open gym time the last bit of the day?
 - A video game (Mario kart) tournament after school/ at the end of the day sometime
- A sheet needs to be made for teachers so they can record each daily totals easily.
- Jeremy had a great sheet made up that could be printed.
- Quarter 3 Event-Anyone still willing/interested in helping with Mario Kart? Too much to organize?
 - No need to rush into the Q3 event.
 - Not sure if it's on or not.
 - Still working with Jorden Verke.
- Burton-After School Stem Class
 - Science museum gaged for k-5
 - American's Fun Science. They travel around and teach STEM classes to schools.
 - First program = eye catching to gain interest.
 - All materials are provided, they just need the space.
 - Could sell concessions at them if we really wanted to.
 - Age range k-8.
 - Thoughts: Great because we need more after school activities and it gets students who are involved in science interested.
 - First time they could come and we haven't heard back yet.
 - Chris will pay the difference if there is a difference between 20 and 24 kids for the rocket assembly.
 - Vote to approve a 1st assembly = Approved
- Anything else we want to see happen for the kids this school year?
 - Something in the spring like a tailgate where we can get rid of the remaining supplies and allow the students to hang out.
 - Virtual game nights would be less likely to be cancelled
 - Enninga will put more feelers out to see what/ how many students are interested in that type of event.
 - Any other ideas can be sent to jeremy
- Scholarship committee-When does the process need to start?
 - Everything is ready to go. Time frame and information all laid out.
 - Just need to hand them out to the high school teachers.
- Do teachers have any needs?
 - 6th grade needs more computers
 - Computers are needed in general. SPED especially.
 - Computers for classes to use? A set number for each class?
 - If we added more computers we would need to talk with Brittney and Mitch about that.
 - Boosters can make the purchase if that is decided.

Next meeting-Tuesday, February 22, 3:00 pm (In Person? Because COVID will definitely be over by then... Right?)
